## Songs and Rhymes!

### It Is Springtime

Sung To: "Are You Sleeping"

It is springtime, it is springtime  
Winter's gone, winter's gone  
Summertime is coming, summer-  
time is coming  
It won't be long, it won't be long.

### We Plant a Seed

(tune: "Pop Goes the Weasel")  
We plant a seed in the ground.  
The rain falls in a shower.  
The sun comes up.  
And what do you know?  
Up pops a flower!

### Five Little Flowers

One little flower growing just for you.  
Up came another and then there were two.  
Two little flowers growing near a tree.  
Up came another and then there were three.  
Three little flowers growing more and more.  
Up came another and then there were four.  
Four little flowers growing side by side.  
Up came another and then there were five.

Spring

### Spring Time

Sung to: "Did you Ever see  
a Lassie?"

My eyes can see it's spring  
time, it's spring time, it's  
spring time. My eyes can  
see it's spring time, the  
grass is so green! The  
green grass, the flowers, the  
sunshine and showers.  
My eyes can see it's spring  
time and I am so glad.

My ears can hear it's spring  
time, it's spring time, it's  
spring time.  
My ears can hear it's spring-  
time, the birds sweetly sing.  
The birds sing, the lambs  
bleat, the frogs croak, the  
bees buzz.  
My ears can hear it's spring  
time, and I am so glad.

My body can feel's it's  
spring time, it's spring time,  
it's spring time.  
My body can feel its spring  
time, the air is so warm.  
The warm air, the breezes,  
no frost and no freezes.  
My body can feel it's spring  
time, and I am so glad!
